## FEATURES FROM THE BIBLE

### TRUTH IN SCRIPTURE

**Crossing the Jordan**  
 Joshua 3 and 4

Being ready to cross the Jordan river into the land of Canaan, Joshua told the people to consecrate themselves because the Lord would do an amazing thing among them the next day.

Joshua instructed the priests to take the Ark of the Covenant and pass ahead of the people. He then invited the people to choose twelve men to lead them, one from each tribe.

The people broke camp to cross the river and the priest, carrying the Ark of the Covenant went before them.

As Joshua had said, when the priest carrying the Ark reached the Jordan and their feet touched the water's edge, the water from upstream stopped flowing, even though the river was at flood stage.

The priests, who carried the Ark of the Covenant, stood firm on dry land in the middle of the Jordan while the whole nation of people crossed over the river on dry land.
