Witness Statement from Casey Gray

On December 9th 2019 I filed for candidacy for the 11 Congressional District of Texas. Shortly after I began being harassed by Brian Hutcherson, whom I have a Protective Order against in the state of WI. This protective order CASE # 18 CV 754 was granted June 10, 2019 and was the 4th PPO against Brian Hutcherson. The expiration of this order is dated to extend until June 10, 2023 and is in full effect.

The first issue that I noticed was harassment from the Republican Party Chairwoman Trish Crowe. Luis Burrola Jr from 'TEXIT' contacted me and started harassing me shortly after. Following his harassment I was contacted by Javier Joven and it just got worse from there. Javier and Trish began slandering me within the Party and telling people that I did not earn a RANGER tab that I earned during my service to the Army. They claimed that I took it off when confronted by them, which was clearly a lie. While in Hobbs New Mexico at an event I gave all three of my lapel pins to Children in the audience and they used this to try to slander my name. I contacted Javier and Trish and warned them I would take action if they continued this behavior. It did continue, I had to post my Ranger Graduation certificate, Army citation and pictures of me at Ranger School graduation before they changed their approach and began slandering more parts of my military service.

I was contacted by Brandon Pugh, who is a precinct chair and he told me that Luis Burrola was sharing a nude video of me with multiple members of the Republican Party including Tish Crowe, whom made a comment that I was disgusting and she would share that video with everyone, Javier Joven and others. One of the groups to receive that video was Brian Flanders and Chris Gonzales of West Texas PodCast. I was contacted by Chris Gonzales and threatened and attempted to extort me that if I didn't obey his commands that I would be "Exposed" by West Texas Podcast and "it wouldn't be good for my reputation." I immediately warned him that what he was doing was illegal and that I would be contacting the authorities to report him and Lt Brian Flanders who is on Active Duty with the Army.

This pattern continued to get worse and it got to the point that Chris Gonzales added Brian Hutcherson into an online group called "Drain the Swamp" in Odessa, TX. Hutcherson began a campaign of harassing and stalking me in this group and slandering my name with falsified documentation and slanderous claims. I informed Chris that he was committing a crime by assisting Hutcherson in contacting a victim which is strictly prohibited in the protective order and he said that he did not care and that nobody would do anything about it.

On Thursday the 27th of February 2020 I was approached in the parking lot of the Ector County Tax Assessors office, while campaigning for Congress, by Judge Sara Kate Billingsley of the 446th District Court. She told me that she was aware of the issues with Chris Gonzales and that she would be the one hearing the case if I brought it to Court. I took her behavior as a veiled threat.

Brian Hutcherson is using several people to harass me indirectly including Laura Crane, Javier Joven, Luis Burrola Jr. Tish Crowe, and several others. This behavior must be held accountable as it is a direct violation of the Protective Order.

Eventually the Administrator of Drain the Swamp blocked and deleted Brian Hutcherson from the group and took down his harassing and threatening messages. Hutcherson then took it to FACEBOOK and started a group called EXPOSED-therealtruth which the Ector County Sheriff Mike Griffis is following. The harassment continued and got worse without any intervening of law enforcement whom is aware of the Protective Order and allowing it to occur.

I have asked for this behavior to stop and for the Ector County Sheriffs Office to step in and do something. This is a crime in which there is substantial proof and there has been nothing done other than allowing it to occur.

Respectfully,

Casey Gray

There is a fraud running a campaign for congress in your district. Upfront I want to clearly state that this post is not intended to bully or harass. This post is meant to bring to the attention of anyone unaware, the scam that is taking place. I am not directing anyone to contact or harass the individual, as he has filed 5 separate orders for protection on me, in 3 separate states, in an attempt to silence me. 4 of the 5 have been thrown out, 1 is still active.

The individual was not in a helicopter crash. FOIA from the Army and a separate report from Flight Fax confirm there was a mishap, a wire strike during a training exercise during JTFX Foal Eagle. The individual was not in combat, nor has he ever been. The individual did a face plant on the ramp because he was not wearing his safety harness

The individual did not receive the injuries he claims. If you read along, you will see he is reciting almost verbatim from the med record. Except that isn't his med record.... It's mine.

The individual isn't trying to get elected. All he wants is to pocket your money. Just like he did in 2016 in the 28th district of California. If you question his integrity or bogus service claims, he will publicly bash you and attack you, your family.... Everything associated with you. I have watched him do it countless times. When I stood up for a friend that the individual was slandering all over the internet, the individual responded by

Matthew Stringer look at the document he posted as proof of his accident. It's a forgery. JTFX Foal eagle is a training exercise. It is not combat related. Then Google the address at the top of his document. It is not now, nor has it ever been Madigan health care. The flight fax documents every aviation mishap world wide. There was only one on March 25, 2011. JTFX Foal eagle. If you can't do the math, I will be patient and help you

You people that are running this page literally are the swamp. You control what information your followers receive so it fits your agenda. I've offered you the documents. I've provided Matt Stringer with an inbox full of court case numbers and files. It's not hard to research this issue. What happened to good, unbiased, investigative journalism? I didn't come here to ask for your vote or your money. Myself and other veterans in the community were invited here to protect you from getting scammed like we were. Like we have watched countless others fall victim to. Look at how many Casey Gray has insulted and attacked in such a short time. I noticed a few of you tried to say I'm the one with restraining orders against me. Here's some facts. The only person to file them on me is Casey Gray. 5 in 3 states. He didn't live in any of those states at the time he filed. 4 out of 5 have been thrown out. What does that say? I'm a single father who had primary custody of my children until Casey Gray impersonated a FBI agent and convinced the mother of my kids not to return them. He told her I was under investigation for manufacturing illegal drugs, manufacturing illegal weapons, and that I had raped a woman in Wisconsin. All fabricated. Don't believe me? Onslow county NC. File number 16-CVD-2938 ... If that doesn't make you understand my persistence, then you probably deserve Casey Gray. Good luck

 This is but the tip of the iceberg with Casey Gray. He's also stolen valor. 99% of his military service claims are fabricated. All one needs to do is simply vet his claims with documentation and you'll find the truth.

Brian Hutch the good thing about this is that you will spend a long time in jail and have time to think about it while other people raise your kids. I truly wish you would just stop and leave me and everyone else you stalk alone. Try to live a healthy life and see a psychiatrist.

Laura Crane nobody cares about your drama, false allegations and your fleeting attempts to slander me. You weren't important before this and you won't be important after this.

I'm a veteran BTW, a disabled veteran 100% with honorable service to country. I don't make stolen valor accusations lightly. I don't want you to take my word it, I want people to research the lead and find the facts for themselves. They're not difficult to find, and after all don't you want to know exactly who Casey Gray really is?

Casey Gray so you're really gonna walk up in Wisconsin court? The one that just took your rights as a father? It's ironic how you claim pro life but your wife, who isn't Mexican btw, literally just had an abortion. Think about that. Your own wife aborted a baby so she wouldn't have to raise your child. It's sick what you put women through. Trust me, they speak about it. With disgust

Brian Hutch I wonder which state he'll choose to file his frivolous suit against me in? Hopefully it'll be a warm state...maybe one with a beach. I could use a vacation.

Laura Crane I guess he thinks all the kids wanna grow up and live in a Winnebago and lie about every aspect of his life. You know how he likes to recycle pictures. Have you ever seen him in a baseball or football game? Or even wearing a uniform?

Brian Hutch I sure haven't. I did see a live feed video of him exposing himself on social media though, for all the world to see, even minors. That was Epic Gray...smh

This was just sent to me because my name is mentioned and slandered. Those are my medical records that he quoted almost word for word in a interview. Leave my name out of your mouth Casey. Here are my records. Where are yours?

Over what?

You knowingly made contact on behalf of Hutcherson who has a protective order against him. You committed a class A misdemeanor.

Ok let's assume that's correct, what order do I have that I can't speak to him?

Don't ever say I didn't give you an opportunity. I am also aware to spread his videos around

You told me to leave you alone and I did

I will be seeing you in court shortly

I asked you for an interview, you said no and that was the end of it.
