Always use
this number to
communicate with me.
I'm getting rid of the
other phone.

I generally don't care
what Coday has to say
but when he implicates
one of our officers in a
lie it ticks me off.

I don't believe our guys
would do that.

Do we know the date the truck was seen at that location.

Mr. CODAY call the front desk wondering when he was going to give him a call back.

Good afternoon Chief. Hate to bring you into anything like this but I do need to see if someone is communicating bad info to this guy. If so I need to know.
